martapatricioalvares.work

Digital creator specialising in educational content. Skills include writing, editing, proofreading, content management, and scriptwriting. My background in child development and psychology guides a creative interdisciplinary approach befitting the digital age.

Experience

August 2020 - present, Early Years Education, Freelance

- Creative childcare and consultation, employing holistic methods that facilitates the creative process and the importance of art in our lives

May 2022 - March 2023, Content Manager, [FabApp](#)

- Part of the educational team, leading co-writing meetings, brainstorming sessions and collaborative editing, organising workflows across the company via Google Drive, Zoom, Slack and Miro
- Collaborated with animatics team, game developers and writers to conduct research and adapt educational content to digital mediums, specialising in the 3-6 age range for [Woof & Joy](#) project
- Adapted public domain material with creative writing (nursery rhymes, poems for young children, etc.)

November 2020 - May 2022, Assistant Editor, [Ahlan Kids Studio](#)

- Checked new material for spelling, punctuation, grammar, curriculum relevance and factual accuracy, offering feedback and edits where appropriate
- Wrote blurbs and edited manuscripts, producing written educational content for the website and its blog on topics including parenting, childcare, child development, and religious practices

July 2016 - July 2020, Early Years Practitioner, Various
